

## ASKO Product Information

---

### Helpful information to gather for product registration.

Serial Number: Number next to the bar code on product label.

### The labels on ASKO appliances can be found in these places:

- Dishwasher: on the right side of the inner door panel or tank
- Dryer: behind the dryer door on the upper left corner of the unit
- Washer: above the glass door on the inner panel
- Dealer/Store: where you purchased your product
- Name of Installation Company: or write in "self-installed"
